ORDER No. L.B. 10198-280—V.P. 71-48-5, DATED BANGALORE, THE 18TH FEBRUARY 1952.

The District and Taluk Conferences were being held since 1916. They were suspended due to economic depression in the year 1931. The organisation of these conferences was revived in 1938.

Instructions were issued in the above read Government Orders regarding the control, organisation, time and duration, etc., for holding of these conferences. These conferences were held till 1949. After the Taluk and District Development Committees were constituted the need for continuing these conferences was not felt. The Commissioner for Rural Development in Mysore suggested certain changes relating to the scope and procedure of these conferences. Pending examination of these aspects and partly as a measure of economy, the holding of the conferences was tentatively stopped.

There have been interpellations in the Legislative Assembly for the revival of the conference and resolutions from some of the District Boards are also being received in this behalf. After a careful examination of the question, it is directed that the holding of these conferences be revived
